Step 1: Search ieee.org on your favorite Web Browser. (Preferably on your PC to avoid issues)

Step 2: Click on the **JOIN IEEE** option on the top right side of the page(**Not the Sign IN one**). When you click on the option a window like this will be opened.

Step 3: Now click on the 'Join as a Student' option. Once you click on it, a new page will be opened like the one below.

Step 4: Now click on the **Create Account** Tab. Clicking on it will open another window like the one given below.

Step 5: When this window opens up fill in the necessary details, when you have filled in all the details and approved all the terms and conditions you will be able to click the **Create Account and Continue Joining** Tab.

When you click on the Tab a verification email will be sent to you and you will be asked to enter the OTP the window which opens up (after clicking the create account tab and continue joining tab).

And when you have gone through the OTP verification a page like this will open up.

Step 6: Fill in the details as shown above **(Only Address),** all the other details will vary from person to person.

Remember NOT to put your address in the address tabs, you have to enter the institute's address.

Also while entering your Mobile Number enter the Indian National code +91 at the beginning.

After entering the necessary information click on continue. A page like this will open.

Now when the page opens up you have to first click on the SEARCH option to select our Institute from the list.

Required fields

Education Information

An undergraduate or first university degree is a minimum requirement for some grades of membership. You can add certifications or advanced degrees to your profile at any time.

Please select your school name. Start by choosing school country and state/province/territory and clicking "Search". *

Country/region	State	
India	Maharashtra	**SEARCH**

University/college*
Dr. D. Y. Patil Institute Of Technology Pimpri

Student status*   ● Undergraduate ○ Graduate

You may be eligible for discounted student membership dues. Dues will be updated in your cart once you provide all of the required information and click "Continue".

Degree being pursued*
Bachelor of Engineering

Academic program*
Electronics & Telecomm Engrg

Graduation Month*
July

Graduation Year*
2025 ⑦

What is your current field of study?*
Engineering

Is your university/college accredited?*
Yes ⑦

Step 7:
When such a page opens up fill in all the details as given above.
The Academic Program and the current focus will differ according to your own goals and interests.

Membership Application

Catalog

IEEE has a number of additional memberships and products we encourage you to explore and add. You can search by keywords or browse by type.

Search the IEEE Catalog for memberships and products...

IEEE and Special Interest Memberships

Join IEEE to get the benefits of global networking, technical content and career resources. Add a special interest membership in Women in Engineering or Young Professionals to enhance your experience.

Society Memberships

Technical Societies allow members to stay technically current, network with colleagues, and collaborate on research and projects. Discover which of IEEE's 39 Societies best match your technical interests.

Publications

IEEE's wide range of quality publications make the exchange of scientific and technical content possible and is delivered through the award-winning IEEE Xplore(R) Digital Library.

Technical Communities

Councils
